Quote of the Week:

Senior Spotlight

AUSTIN SCHINDLER #7

INF/P

Is there a game that stands out to you as a favorite memory?

Spencer Fry's walk-off home run game. It was one of my best games as well.

What are your other activities outside of baseball?

Tutoring and I was in scouts.

What are your future plans?

I plan on going to University of Evansville for computer engineering.

What advice would you give young players?

Have fun and enjoy your time during baseball.

Thoughts from Coach Harpring:

Austin is a really enjoyable person. He shows up to practice every day and works as hard as he can. He has improved tremendously since his freshman year. He always leads by example and has even gotten more vocal on the field. Austin is a kind person in addition to being an excellent student.
